LIS EXPANDS COVERAGE TO INCLUDE STAND ALONE PETROL STATIONS, MEDICAL & CHILDCARE CENTRES AND BUSINESS PARKS

The team of property professionals at Leasing Information Systems have been working to broaden the data within the system to include petrol stations, childcare centres, medical centres and now business parks. We have received high demand for information regarding these sectors and have now met this demand.

This means that information on standalone petrol stations, medical centres, childcare centres and business parks is now readily available and the information at subscriber's fingertips so they are placed in the best possible position when it comes to the negotiation table.

If you would like more information about this topic, please contact Simon Fonteyn at 02 8354 0211 or email at simon@leaseinfo.com.au.
