Tim Hamilton of Pandanus Property appointed Queensland Distributor

Leasing Information Services have today announced a formal agreement with Mr Tim Hamilton of Pandanus Property to be the distributor of our products in Queensland. Tim Hamilton was formerly head of Vodafone Retail Property and has had an extensive career in retail leasing and telecommunications across Australia and internationally.

The managing director of LIS, Mr Simon Fonteyn said “ We are very excited about our relationship with Tim. He brings a wealth of experience to the business and we anticipate that he will rapidly increase our presence in Queensland, which is a growth market for us. Tim also has established his own leasing and consultancy practice www.pandanusproperty.com which will dovetail into our data services seamlessly.”
